

Scaffolding present *INSIDE* every one of the 12 standalone apps. Because each app has its own RBAC and auth (no shared SSO), this entire list is replicated per app — only branding, copy, and permission scopes differ.

ID	Persona	Category	Screen / Modal Name	Type	Description / Notes
1	Shared	Authentication	Welcome / language picker landing	Page	Pre-login splash; RTL/LTR auto-detect; bot widget visible.
2	Shared	Authentication	Login page	Page	Email/username + password; SSO/SAML/OIDC buttons (this app only).
3	Shared	Authentication	Login — magic link	Page	Passwordless email magic link option.
4	Shared	Authentication	Forgot password — email entry	Page	Captcha-protected email entry.
5	Shared	Authentication	Forgot password — sent confirmation	Page	Generic 'if account exists' message.
6	Shared	Authentication	Reset password — new password	Page	Strength meter + breach check.
7	Shared	Authentication	Reset password — success	Page	Auto-redirect to login.
8	Shared	Authentication	OTP — email	OTP	6-digit email OTP entry with resend timer.
9	Shared	Authentication	OTP — SMS	OTP	6-digit SMS OTP, country-code aware.
10	Shared	Authentication	OTP — WhatsApp	OTP	WhatsApp OTP fallback.
11	Shared	Authentication	OTP — Authenticator (TOTP)	OTP	6-digit TOTP entry.
12	Shared	Authentication	OTP — too many attempts	Confirmation	Temporary lockout with cool-down.
13	Shared	Authentication	MFA enrolment — method picker	Wizard Step	Pick TOTP / SMS / Email / hardware key.
14	Shared	Authentication	MFA enrolment — TOTP QR	Wizard Step	Scan QR + verify.
15	Shared	Authentication	MFA enrolment — backup codes	Wizard Step	10 single-use codes.
16	Shared	Authentication	MFA challenge during login	OTP	Required after password if MFA on.
17	Shared	Authentication	First-login forced password change	Page	Admin-issued temporary credentials.
18	Shared	Authentication	First-login T&C acceptance	Modal	Scroll-to-bottom enforcement.
19	Shared	Authentication	First-login privacy acceptance	Modal	Per-region copy.
20	Shared	Authentication	First-login profile completion	Wizard Step	Photo, timezone, language, RTL.
21	Shared	Authentication	Session-timeout warning	Modal	Countdown + 'Stay signed in'.
22	Shared	Authentication	Session expired re-auth	Modal	Inline re-enter password.
23	Shared	Authentication	Concurrent session detected	Modal	Pick which session to kill.
24	Shared	Authentication	Account locked	Page	Reason + contact admin.
25	Shared	Authentication	Account suspended	Page	Admin-initiated notice.
26	Shared	Authentication	CAPTCHA challenge	Modal	Anti-bot on suspicious login.
27	Shared	Authentication	New device verification	OTP	Email link + OTP for new fingerprint.
28	Shared	Authentication	Trust this device	Modal	Skip MFA for N days.
29	Shared	Authentication	Logout confirmation	Modal	Single logout + 'log out everywhere'.
30	Shared	Authentication	Logged-out screen	Page	Goodbye + re-login + switch account.
31	Super Admin	Tenant Provisioning	Provisioning wizard — Organisation	Wizard Step	Legal name, country, industry.
32	Super Admin	Tenant Provisioning	Provisioning wizard — Admin user	Wizard Step	Bootstrap client admin.
33	Super Admin	Tenant Provisioning	Provisioning wizard — Plan	Wizard Step	Plan + add-ons.
34	Super Admin	Tenant Provisioning	Provisioning wizard — Billing	Wizard Step	Tax IDs + payment method.
35	Super Admin	Tenant Provisioning	Provisioning wizard — Review	Wizard Step	Summary before create.
36	Super Admin	Tenant Provisioning	Provisioning email OTP	OTP	Verify admin email.
37	Super Admin	Tenant Provisioning	Provisioning — launching	Intermediate	Spin-up + readiness checks.
38	Super Admin	Tenant Provisioning	Provisioning — success	Page	Launch URL + admin creds.
39	Client Admin	Onboarding	Onboarding tour overlay	Modal	Spotlight guided tour.
40	Client Admin	Onboarding	Onboarding checklist widget	Widget	Time-to-value steps.

Scaffolding present *INSIDE* every one of the 12 standalone apps. Because each app has its own RBAC and auth (no shared SSO), this entire list is replicated per app — only branding, copy, and permission scopes differ.

ID	Persona	Category	Screen / Modal Name	Type	Description / Notes
41	Client Admin	Onboarding	Sample data import prompt	Modal	Seed with demo data.
42	Client Admin	Onboarding	Empty workspace state	Empty State	Single CTA to start.
43	Client Admin	RBAC	Users list	Page	Paginated, filterable, bulk.
44	Client Admin	RBAC	User search	Drawer / Side Panel	Advanced filters.
45	Client Admin	RBAC	Add user	Modal	Email, role, group, language.
46	Client Admin	RBAC	Bulk import users — upload	Wizard Step	CSV/XLSX drop zone.
47	Client Admin	RBAC	Bulk import — column mapping	Wizard Step	Map fields.
48	Client Admin	RBAC	Bulk import — dry-run preview	Wizard Step	First 20 rows + warnings.
49	Client Admin	RBAC	Bulk import — errors	Wizard Step	Row-level validation report.
50	Client Admin	RBAC	Bulk import — success	Intermediate	Counts + log download.
51	Client Admin	RBAC	User detail — profile	Page	Identity, contact, meta.
52	Client Admin	RBAC	User detail — permissions	Page	Resolved permission view.
53	Client Admin	RBAC	User detail — activity	Page	Audit timeline.
54	Client Admin	RBAC	User detail — sessions	Page	Active sessions + force logout.
55	Client Admin	RBAC	Edit user	Modal	Inline role/group/status edit.
56	Client Admin	RBAC	Invite user — composer	Modal	Email template + expiry.
57	Client Admin	RBAC	Resend invite	Confirmation	Re-issue token.
58	Client Admin	RBAC	Revoke invite	Confirmation	Invalidate pending.
59	Client Admin	RBAC	Deactivate user	Confirmation	Reversible; retain data.
60	Client Admin	RBAC	Reactivate user	Confirmation	Restore access.
61	Client Admin	RBAC	Delete user (hard)	Confirmation	Type-to-confirm; irreversible.
62	Client Admin	RBAC	Reset user password	Confirmation	Send reset email.
63	Client Admin	RBAC	Force MFA reset	Confirmation	Wipe MFA enrolment.
64	Client Admin	RBAC	Force logout user	Confirmation	Kill all sessions.
65	Super Admin	RBAC	Impersonate user — start	Confirmation	Reason required; logged.
66	Super Admin	RBAC	Impersonation banner	Toast / Banner	Persistent red banner.
67	Super Admin	RBAC	End impersonation	Confirmation	Return to admin identity.
68	Client Admin	RBAC	Roles list	Page	Built-in + custom.
69	Client Admin	RBAC	Create role	Modal	Name, description, copy-from.
70	Client Admin	RBAC	Role permission matrix	Page	Object × action grid.
71	Client Admin	RBAC	Clone role	Confirmation	Duplicate with rename.
72	Client Admin	RBAC	Edit role	Page	Live permission edit.
73	Client Admin	RBAC	Delete role	Confirmation	Re-assign orphaned users.
74	Client Admin	RBAC	Bulk role assignment	Modal	Select users + role.
75	Client Admin	RBAC	Groups / teams list	Page	Logical groupings.
76	Client Admin	RBAC	Create group	Modal	Name, parent, members.
77	Client Admin	RBAC	Group members management	Drawer / Side Panel	Add/remove.
78	Client Admin	RBAC	Permission set library	Page	Reusable bundles.

Scaffolding present *INSIDE* every one of the 12 standalone apps. Because each app has its own RBAC and auth (no shared SSO), this entire list is replicated per app — only branding, copy, and permission scopes differ.

ID	Persona	Category	Screen / Modal Name	Type	Description / Notes
79	Client Admin	RBAC	Field-level permission editor	Modal	Per-attribute access.
80	Client Admin	RBAC	IP allowlist	Page	CIDR ranges.
81	Client Admin	RBAC	Time-based access rules	Page	Working hours / temp access.
82	Client Admin	RBAC	Approval delegation	Modal	Delegate to peer for N days.
83	Client Admin	RBAC	Out-of-office delegation	Modal	Auto-route while OOO.
84	Super Admin	Tenant Management	Tenants list	Page	Health, plan, last-activity, MRR.
85	Super Admin	Tenant Management	Tenant detail	Page	All sub-tabs.
86	Super Admin	Tenant Management	Tenant usage metering	Page	Quotas per metric.
87	Super Admin	Tenant Management	Tenant subscription	Page	Plan/seats/add-ons.
88	Super Admin	Tenant Management	Tenant white-label override	Page	Per-tenant branding.
89	Super Admin	Tenant Management	Tenant feature flags	Page	Per-tenant toggles.
90	Super Admin	Tenant Management	Tenant data export	Confirmation	Full export job.
91	Super Admin	Tenant Management	Tenant suspend	Confirmation	Read-only + notice.
92	Super Admin	Tenant Management	Tenant delete	Confirmation	Hard delete + grace.
93	Super Admin	Tenant Management	Tenant clone / migrate	Confirmation	Region/env migration.
94	Super Admin	Tenant Management	Tenant audit log	Page	All admin actions.
95	Super Admin	Dashboard	Global app dashboard	Page	Platform KPIs across tenants.
96	Client Admin	Dashboard	Workspace dashboard	Page	Tenant-wide KPIs.
97	End User	Dashboard	Personal dashboard	Page	Role-scoped home.
98	Client Admin	Dashboard	Widget gallery	Modal	Add/configure widgets.
99	Client Admin	Dashboard	Configure widget	Modal	Filters, time range, viz.
100	Client Admin	Dashboard	Resize / rearrange widgets	Page	Drag-drop layout.
101	Client Admin	Dashboard	Pin widget to top	Modal	Persistent KPI.
102	Client Admin	Dashboard	Dashboard sharing	Modal	Internal + view-only link.
103	Client Admin	Dashboard	Dashboard export	Modal	PDF / PNG / scheduled.
104	Shared	Navigation	KPI drill-down	Drawer / Side Panel	To underlying table.
105	Shared	Navigation	Global search (cmd+K)	Modal	Spotlight palette.
106	Shared	Navigation	Global search results	Page	Faceted results.
107	Shared	Navigation	Saved searches	Page	Personal + shared.
108	Shared	Navigation	Filter builder	Modal	Boolean composer.
109	Shared	Navigation	Saved filters	Drawer / Side Panel	Manage saved filters.
110	Shared	Navigation	Quick actions menu	Modal	Floating + cmd+K.
111	Shared	Navigation	Recently viewed	Drawer / Side Panel	Last 20 records.
112	Shared	Navigation	Favorites / starred	Page	Per-user pin list.
113	Shared	Navigation	Notifications bell dropdown	Drawer / Side Panel	Recent in-app.
114	Shared	Navigation	Notifications full page	Page	Filter / group / bulk.
115	Shared	Navigation	Notification preferences	Page	Per-channel + topic.

Scaffolding present *INSIDE* every one of the 12 standalone apps. Because each app has its own RBAC and auth (no shared SSO), this entire list is replicated per app — only branding, copy, and permission scopes differ.

ID	Persona	Category	Screen / Modal Name	Type	Description / Notes
116	Client Admin	Navigation	Notification rules builder	Page	Event → channel routing.
117	Shared	Navigation	Announcement banner	Toast / Banner	System announcements.
118	Shared	Navigation	Maintenance mode banner	Toast / Banner	Window + ETA.
119	Client Admin	Settings	Settings home / index	Page	Tile grid of all groups.
120	Client Admin	Settings	Organisation profile	Page	Legal name, address, contact.
121	Client Admin	Settings	Timezone & locale	Page	Tenant defaults.
122	Client Admin	Settings	Branding — logo	Page	Light + dark logos.
